

THRU : Assistant Director, Research and Reports
Chief, Administrative Staff
Deputy Chief, Economic Research Area

17 September 1959

Redistribution of Personnel Ceiling Within the Staffing Complement
of the Economic Research Area

1. It is requested that the authorization for Slot #377 in the Transportation Branch, Services Division, be increased from one to two GS-12 positions.
2. It is proposed to provide this position by reducing the authorization for Slot #255 in the Nonferrous Metals and Minerals Branch, Materials Division, from three to two GS-12 positions.
3. This action is proposed in the light of the relative workloads in the two branches.
